PayU

Hi yogesh kumar

Our customer service team need extra information from you to resolve your query effectively. Please find the comment below and provide the information

### Information required

Hi,

As per the discussion on call, Due to some technical issue the old payumoney sdk is not working properly so you need to integrate the latest OnePayU or PayUCheckoutPro SDK in your project.

Please refer the below link to integrate PayUcheckout Pro SDK for android

<https://payumobile.gitbook.io/sdk-integration/android/payucheckoutpro>

Sample App in Java - <https://github.com/payu-intrepos/PayUCheckoutPro-Android/tree/JavaSampleApp>

Sample App in Kotlin - <https://github.com/payu-intrepos/PayUCheckoutPro-Android>

Reply

Important: Please provide your reply within the next 72 hours, otherwise your query will be closed automatically.

**Please note:** This e-mail was sent from a notification-only address that can't accept incoming e-

mail. Please use the "Reply" button to reply to this message.

Thank you for your patience and cooperation.

Regards,  
Team PayU
